

Transfer Form

2026 Water Year (October 2025 - September 2026)

Each landowner within the PIDGSA that desires to transfer its allocation shall complete this form to document the transaction. All transfers must be consistent with the PIDGSA's Rules and Regulations. If you have any questions or require assistance with completing your form, please contact the PIDGSA Administration Staff at (559) 782-6321 or email PIDGSA@ocsnet.net.

When complete, please submit this form to the **PIDGSA** in person or by mail to the following address: **22086 Ave 160, Porterville, CA93257**

All transfers will be processed upon approval.

	None			
	None			
	None			

The available water buckets to Transfer in the PIDGSA include:

1. Native Sustainable Yield
2. Landowner Ground Water Credits
3. Surface Water Credits (Note: Surface Water Credits may be subject to additional Transfer review by Surface Water District)

SIGNATURES OF AGREEMENT

Each party acknowledges that the PIDGSA Rules and Regulations identify the water available for Transfer. Note that Total Precipitation is not available to Transfer to another landowner in the year of allocation (unless otherwise stated in the PIDGSA Rules and Regulations). Total Precipitation allocations from previous years are transferable and are designated as Landowner Groundwater Credits.
